Dear Johan,

The Drupal Association South Africa (DASA) invites you attend the inaugural meeting of Drupal users in Government and NGO sector to be held in Pretoria on 16 October 2015. Invitees include public servants working with Drupal in national, provincial and local government.

Drupal Association South Africa (DASA) is a non-profit organisation established for the public benefit objective to foster and support the Drupal Open Source GPL project, the community and its growth in South Africa.

The purpose of the day's events is to gather interested parties and with regards to the efforts and purposes of the new regular monthly meeting with lectures and discussions on standards compliance, scaling websites for massive traffic, security best practices for enterprise websites, skills transfer for fast changing positions, writing good tender documentation, finding good service providers and much more.

Date & Time Friday, 16 October 2015, 12:00 – 15:00

Venue   Department of Arts and Culture, 1st Floor, Kingsley Centre Building, c.o. Steve Biko (Beatrix) and Stanza Bopape (Church)

Cost   Attendance is free; travel and accommodation is not included.

Please RSVP on http://www.meetup.com/Drupal-Pretoria-Arcadia-NGO-Gov before 13 October.

We look forward to your always valuable presence.

Kind regards,

_____
